### When you call 112

1. Where you are: town, street, number; on a motorway, the direction and exit
2. What happened
3. How many people are hurt, and any danger still there
4. Your phone number, in case the line drops
5. Stay on the line until the operator ends the call
6. No answer on another line? Call 112

≧&lt; Cut along the dashed line: bank-card size, for your wallet
